

Dear Prospective Board Member,

Thank you for your consideration of serving as a board member for the Minnesota Library Foundation (MLF). It is with commitments like yours that we can continue to support libraries, the communities they serve, and the staff that work within them.

Our organization is currently assisting Minnesota's libraries and their communities through two activities. First, by providing support to publicize and augment the MN Writes/MN Reads project and, second, by underwriting a portion of the cost of the Minnesota Library Association's biennial leadership institute. This work would not be possible without the support of the community volunteers who serve on our governing board.

The MLF Board is examining its role in current programs, striving to build greater capacity, and visioning for the future. We are seeking your input in these planning processes as we strive to build better libraries for tomorrow.

Please take a few minutes to complete the enclosed board member application and then return it to us either by mail or email. Once we receive your completed application, it will be forwarded to our board's nominating committee and a representative will be in contact with you in the next few weeks.

Again, thank you for considering a role in our organization and the work we do for Minnesota's libraries and the communities they serve. If you have any questions, please contact me at either 612-709-8509 or marlenemoultonjanssen@gmail.com.

Thank you for your commitment to improving Minnesota's libraries.

Mailing Address: 1619 Dayton Ave., #314, St. Paul, MN 55104
